Titus de Bobula, Esquire  
6825 Red Top Road  
Takoma Park, Maryland

Dear Mr. de Bobula:

I have received your letters of October 25 and November 3, 1952. I am afraid that there is nothing further that I can add to what was said in my earlier letter of October 23, 1952. I originally informed you that we would bring the matter alleged in your first letter to Miss [REDACTED] attention in the hope that the difficulty was entirely a matter of misunderstanding. The results of my discussion with Miss [REDACTED] were set forth in my letter of October 23.

As you doubtless are aware, Agencies of the U.S. Government cannot concern themselves with the strictly private affairs of their employees. I must assure you that this Agency has already done all that it properly should. From here on it must be a matter between you and Miss [REDACTED]

STATINTL

Sincerely,

Lawrence R. Houston
